House File 14

January 13, 1947.

By GENERAL LEGISLATIVE COMMITTEE.

Passed on File.

A BILL FOR

An Act to amend section three hundred twenty-seven point eight
 (327.8), Code 1946, relating to truck operator permit.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section three hundred twenty-seven point
- 2 eight (327.8), Code 1946, is amended by striking the
- 3 second sentence of the section.

EXPLANATION OF H. F. 14

Because of the amendment to section 327.7, Code 1946, the portion struck from section 327.8 is meaningless.

Under the present law, it is virtually impossible to enforce the provisions of this section. If an operator has a permit it is his operating authority; none of the operators comply with the provisions requiring written approval of the department of public safety stating that the applicant has complied with the prescribed safety regulations. So far as is known the department of public safety has made no effort to enforce the provisions of this section.

Section 327.7, Code 1946, after amendment as proposed in a companion bill, will make written approval of the department of public safety stating that the applicant has complied with the prescribed safety regulations a part of the application for a truck operator permit. Thus the acquiring of a truck operator permit will be contingent upon his first obtaining approval of the department of public safety.
